

IN THE SPECIFICATION

1. Kindly add the following section, on page 1, immediately after the title:

RELATED APPLICATIONS

The present application is a U.S. national application of PCT Application No. PCT/IL02/00277, filed on March 12, 2002.

2. Kindly replace the paragraph starting on page 11, lines 26-30 with the following paragraph:

In some embodiments of the invention a row of light sources is formed of a plurality of sub-rows, as described in the above referenced US 5,630,027 and US ~~5,630,027~~ 5,061,049. While these references (and other references described above) there is a choosing between LEDs in forming those pixels in the overlap between the partial rows, the present invention includes the choosing of light sources outside any rows that are formed by overlapping partial rows.
